

Individual Lot NPDES Permit Questionnaire

1) Is the property located in a subdivision? Yes or No

If yes, what is the name of the subdivision?

2) What is the physical address and/or tax map number of the property?

3) Property owner(s) name: _____

4) Total acreage of the parcel? _____

5) How much land will be disturbed during construction of the house, septic, driveway, etc. (list in square feet or acres)?

If an NPDES permit is needed the following information will have to be submitted:

Stormwater Pollution Prevention Plan (SWPPP), Notice of Intent (NOI), Financial Responsibility/Ownership Form, Stormwater Project Information Record, Completed Design Checklist, York County’s Land Disturbance Fees (\$125.00 per disturbed acre), SCDHEC – NPDES Permit Fee (\$125.00),

Please note that land disturbance cannot begin until the NPDES permit is issued. This permit will be issued by York County and SCDHEC.

By signing below, I understand that if NPDES Permit coverage is necessary the items listed above will need to be completed, submitted, plans approved, and NPDES coverage obtained before any land disturbance can occur on the site.
