Council Chairwoman, Christi Cox called the meeting to order

Motion was made by Committee member Tom Audette and seconded by Committee member David Oxendine to approve the minutes of the July 20, 2021 Riverbend Committee meeting. Motion Carried.

Mr. Dodd presented the revised video to the Committee representing the park masterplan. Committee member Manning Kimmel offered to modify the video by adding background music and additional commentary to make the video more appealing to citizens.

Mr. Dodd reported that the masterplan video and community survey would be placed on the County's website and County's social media pages for approximately 2 weeks. The Committee will meet again in September to review the public's feedback and will make any final modifications to the plan before presenting to County Council. Then the final recommended plan will go before York County Council for further consideration and adoption.

Mr. Dodd also explained to the Committee that the proposed name of the park is not ready to be officially released at this time. There is still additional legal vetting that needs to take place prior to release. Chairwoman Christi Cox requested a cost for the County to obtain a Copyright Attorney in order to ensure that we can acquire the proposed name legally.

There being no further discussion the Committee meeting adjourned.
