

### **Ebenezer Park to Re-Open Campgrounds May 1st**

**York County, SC-** Instituting social distancing measures and following health protocols, York County's Ebenezer Park will re-open its campgrounds to the public on Friday, May 1, at 10am. However, other areas of the park will remain closed or have limited access. These areas are as follows:

- Park offices and bathhouse facility will remain closed initially or will operate on a limited scale.
- The Ranger Station Campground Store should open by Friday, May 15. York County will use SCDHEC and CDC guidance to determine the maximum occupancy in these common area facilities in order to maintain social distancing rules and limit contact between staff and visitors.

Due to the Ebenezer Park Masterplan improvements and construction, the boat ramps, beach area and picnic area are closed. At this time, an opening date has not been determined for these areas.

The public can call Ebenezer Park Offices to make a camping reservation for May 1, and beyond. Due to the evolving construction, the Park is not taking any camping reservations online. To make a reservation or to seek additional information, please call the Ebenezer Park Office at (803) 366-6620. Ebenezer Park staff will continually monitor visitor usage and adjust services as needed to ensure compliance with CDC and SCDHEC guidelines in order to protect the safety and well-fare of the public and park staff.
