 - (1) The exhibits must be removed within 30 days of the occasion.
 - (2) The exhibits must be placed a minimum of 10 feet from all street right-of-ways. These signs cannot be located in a manner that causes poor sight distance visibility at intersections and driveways so that vehicles can safely enter and leave the property.

 - (5) The zoning administrator for special events can approve additional, higher, or larger exhibits where deemed acceptable. The zoning administrator may impose conditions such as time limitations, additional setbacks and the like as deemed necessary when approving such request.
 - (6) The zoning administrator or his or her designee may remove or cause to be removed any exhibit that does not meet the above criteria and any cost of removal incurred by the county will be billed to the business owner.
- B. **Searchlights**, provided the searchlight(s) is not installed prior to the event in question and must be removed within 3 days of the occasion.
- C. **Signs, advertising an event, pulled behind an aircraft.**

 - (1) The signs are located on the lot in which the event is held on a nonconforming (legal) outdoor advertising display or on a lot with written authorization from the property owner.
