Review Comments

The following comments are grouped as "Review Comments" or "Advisory Comments". "Review Comments" are items related to your plan review that require action on your part. "Advisory Comments" are informational notes that may be important in the future and are for your information.

Building & Codes - Larry Harrison - larry.harrison@yorkcountygov.com

Not Approved

Review Comments:

"No restoration activities are authorized for this building, and in light of the ongoing litigation, the violation of the Planned Development (PD) Plan adopted by York County Council on January 10, 2005, and default under the May 5, 2008 Development Agreement, the permit application is denied."
