

Repeal of the Boil Water Advisory

Date: August 6, 2022

Where: Regent Park, Fort Mill

The York County Water & Sewer Department advises the customers of the Regent Park area (which includes Regal Manor), located in York County, that they no longer need to boil their water prior to drinking or cooking.

Following an intense flushing of the distribution system, bacteriological samples were collected and analyzed by Pace Analytical Laboratory Services. The results of this sampling indicates that the system is now safe to use for drinking and cooking purposes.

If you should have any questions concerning this repeal of the Boil Water Advisory, you may call the York County Water & Sewer Department at 803-628-3211 or email water.sewer@yorkcountygov.com.
