SECTION 12-43-227. Valuation of homeowners’ association property.
The fair market value of homeowners’ association property, as defined in Section 12-43-230, for ad valorem
tax purposes is defined as the nonqualified earnings value to be determined by the capitalization of the
property’s nonqualified gross receipts. For purposes of this section, “nonqualified gross receipts”, means
the gross receipts from the use of the property other than:
(1) amounts received as membership dues, fees, or assessments from the members of the homeowners’
association; and
(2) amounts received from the developer of the property owned by the homeowners’ association as reported
on the most recently filed application submitted pursuant to Section 12-43-230. If additional reporting is
required pursuant to Section 12-43-230, nonqualified gross receipts shall be determined utilizing gross
receipts from the most recent completed tax year. After a piece of property’s nonqualified gross receipts
have been established, they must be capitalized to determine nonqualified earnings value by utilizing a
capitalization rate of twenty percent. Notwithstanding any other provision of this section, in the event of
real property with zero or de minimus nonqualified gross receipts, the special valuation of homeowners’
association property shall not result in any homeowners’ association property being valued at a rate less
than five hundred dollars an acre.

Section 12-43-230.
(d) For purposes of this article, “homeowners’ association property” means real and personal property
owned by a homeowners’ association if:
(1) property owned by the homeowners’ association is held for the use, benefit, and enjoyment of members
of the homeowners’ association;
(2) each member of the homeowners’ association has an irrevocable right to use and enjoy on an equal
basis, property owned by the homeowners’ association, subject to any restrictions imposed by the
instruments conveying the right or the rules, regulations, or bylaws of the homeowners’ association; and
(3) each irrevocable right to use and enjoy property owned by the homeowners’ association is appurtenant
to taxable real property owned by a member of the homeowners’ association.
Subject to making the appropriate application pursuant to this subsection, a homeowners’ association may
designate one or any number of its qualifying tracts or parcels as homeowners’ association property for
purposes of the special valuation contained in Section 12-43-227.
As used in this subsection, “homeowners’ association” means an organization which is organized and
operated to provide for the acquisition, construction, management, and maintenance of property.
Homeowners’ association property does not come within the provisions of this subsection unless the
owners of the real property or their agents make a written application for it on or before the first penalty
date for taxes due for the first tax year in which the special valuation is claimed. The application may be
with respect to one or any number of tracts or parcels owned by the homeowners’ association. The
application for the special valuation must be made to the assessor of the county in which the special
valuation property is located, on forms provided by the county and approved by the department which
includes the reporting of nonqualified gross receipts, and failure to apply constitutes a waiver of the
special valuation for that year. No additional annual filing is required while the property remains
homeowners’ association property and the ownership remains the same, unless the nonqualified gross
receipts within the meaning of Section 12-43-227 for the most recent completed tax year either (i) exceed
the amount of nonqualified gross receipts with respect to the property reported on the most recently filed
application by ten percent or more or (ii) are less than ninety percent of the amount of nonqualified gross
receipts with respect to the property reported on the most recently filed application. In that case, the
owners of the real property or their agents must make additional written application with respect to the
property and report the change in nonqualified gross receipts.
